Horror / Gothic Film Aesthetic

- **Description:** Dark, eerie style from horror movies. Gothic architecture, shadows, and high contrast. Mood is suspenseful, frightening, or spooky. Origin: classic horror films and gothic tales.
- **ChatGPT Prompt:** "Write a chilling scene in a haunted mansion, evoking Gothic horror atmosphere."
- **Image Prompt:** "A vertical 9:16 gothic horror scene: an old stone castle facade at night, flickering lantern light, mist swirling, gothic arches, ominous atmosphere."
- **Colors & Vibe:** Deep blacks, grays, blood reds; intense shadows and candlelight, eerie and suspenseful.
