Atompunk Aesthetic

- **Description:** 1950s vision of future. Googie architecture, atomic motifs. Mood is retro optimistic yet kitschy.
- **ChatGPT Prompt:** "Write a retro-futuristic diner scene with atomic age design and patrons."
- **Image Prompt:** "A vertical 9:16 1950s diner scene: pastel-colored rocket cars, boomerang signs, patrons in vintage-futuristic outfits."
- **Colors & Vibe:** Pastel pinks, teals, shiny chrome; nostalgic mid-century, playful optimism.
