Space Age / Mid-Century Futurism Aesthetic

- **Description:** 1960s science optimism. Sleek lines, new plastics, moon motifs. Mood is hopeful and stylish.
- **ChatGPT Prompt:** "Describe a 1960s living room with Sputnik-inspired decor and mod furniture."
- **Image Prompt:** "A vertical 9:16 interior: retro-futuristic living room with atomic clock, bold geometric patterns, bright sunlight."
- **Colors & Vibe:** Teal, orange, white; chic and optimistic, *mod* style.
