Weirdcore Aesthetic

- **Description:** Creepy-odd internet aesthetic. Low-fi, grainy images of liminal spaces and strange juxtapositions. Mood is unsettling, nostalgic.
- **ChatGPT Prompt:** "Write a scene with uncanny, off-kilter visuals (strange rooms, eerie silence)."
- **Image Prompt:** "A vertical 9:16 weird scene: empty hall with flickering lights, a lone door slightly ajar, grainy texture, uncanny mood."
- **Colors & Vibe:** Muted or washed-out tones, flickery yellows or dull blues; uncanny, nostalgic uneasy feeling.
