Comic Book Aesthetic

- **Description:** Stylized like Western comics or pop art. Uses strong outlines, halftone dots, and dynamic panels. The mood is dramatic and action-packed. Origin: American superhero and pop art culture.
- **ChatGPT Prompt:** "Write an exciting comic-book style scene, describing vivid action and sound effects for a superhero showdown."
- **Image Prompt:** "A vertical 9:16 comic book panel: a bold-inked superhero leaping off a rooftop at night, with halftone shading, primary colors, onomatopoeic text (BAM!)."
- **Colors & Vibe:** Primary reds, blues, yellows; high-contrast; energetic, heroic, and bold.
