Surreal Digital Collage Aesthetic

- **Description:** Dreamlike, unexpected combinations of images (e.g., floating objects, dreamscapes). Heavily edited or AI-collaged, often bizarre or psychedelic. Mood is strange, imaginative, otherworldly. Inspired by digital art and Dada/Surrealist art.
- **ChatGPT Prompt:** "Generate a bizarre story scene blending incongruent elements in a surreal, dreamlike way."
- **Image Prompt:** "A vertical 9:16 surreal collage: a floating fish carrying a house, sky with clock faces, vibrant neon colors, uncanny and imaginative."
- **Colors & Vibe:** Unusual palettes (neon pastels, high-contrast mixes), mystical and whimsical, themes of dreams and fantasy.
