Film Noir / Neo-Noir Aesthetic

- **Description:** Dark, moody style from 1940s-50s cinema (noir) and its modern revivals (neo-noir). Stark lighting contrasts (chiaroscuro), urban night scenes with rain. Mood is mysterious, cynical, tense. Cultural origin: classic detective films.
- **ChatGPT Prompt:** "Write a tense detective scene in noir style, with a private eye speaking in first person under neon streetlights."
- **Image Prompt:** "A vertical 9:16 cinematic night cityscape: glistening wet streets, neon signs, silhouetted detective in fedora, dramatic shadows, film grain texture."
- **Colors & Vibe:** Muted blacks, whites, grays; maybe a splash of neon (deep reds/blues), cool and brooding, themes of mystery and intrigue.
