📢 LESSON : Best Hashtags & CTAs to Go Viral

Your video might be great — but without **the right hashtags and CTA (Call-To-Action),** it won't reach its full potential.
This lesson will give you the **exact hashtags and CTAs** that top viral storytelling creators use daily.

🚀 Best Hashtags for Storytelling & History Content

Use **3–5 hashtags max** per post — too many looks spammy.
Mix broad + niche ones for the best reach.

🎬 **General Storytelling Hashtags**
#Storytelling #Shorts #ViralShorts #TikTokStory #YouTubeShorts #CinematicStory #AIStorytelling

🏺 **History & Mystery Hashtags**
#HistoryFacts #TrueStory #HistoricalShorts #UntoldHistory #HiddenStories #DarkHistory #AncientSecrets

🤖 **AI & Creation Hashtags**
#AICreator #AIVideo #ChatGPT #AIEditing #AIVoice #AIStory

📈 **Engagement Hashtags**
#Motivation #Inspiration #MindBlowing #DidYouKnow #BeforeYouScroll

💡 *Pro tip:* Always include 1–2 hashtags that describe the topic of your specific story (e.g. #Cleopatra, #Napoleon, #Samurai).

🎯 Best CTAs (Call-To-Action) for Viral Growth

Don't just end your videos — **invite interaction**.
Here are proven CTAs that boost engagement and conversions 👇

💬 **Engagement CTAs**

- "What do you think about this story?"
- "Would you forgive him if you were in his place?"
- "Type YES if you want Part 2."
- "Comment your theory below 👇"

🕹️ **Lead Magnet CTAs**

- "Type the word *PDF* to get the free guide."
- "Comment *AI* and I'll send you the prompts I use."
- "DM me *StoryPack* to get all my templates."

🔥 **Conversion CTAs**

- "Link in bio to get the full storytelling course."
- "Steal my exact AI setup — link in description."
- "Want to go viral too? Learn how in my course."

🧠 Final Tip

Every video should **end with one clear CTA** and **2–3 powerful hashtags**.
Too many confuses the algorithm — and your audience.

🎯 *Goal: Make it feel like an invitation, not a command.*

✅ **Action Step:**
Before posting your next video, copy 3 hashtags from each category and end with one of the CTAs above.
You'll immediately notice higher engagement.
