

HOW TO GET AI TOOLS FOR DIRT CHEAP

Forget paying full price here's exactly how to get access to these tools for up to 95% less

this alone pretty much pays for the full course haha

Method 1: Premium Accounts (Save 95%+)

Getting Gemini Pro & Ultra Accounts, Higgsfield accounts, MidJourney etc

Go to **z22u.com**: **https://www.z2u.com/gemini/accounts-5-28045**

Account Type	Price (as low as)	Normal Price (monthly)
Gemini Pro	$1	$20
Gemini Ultra	$10	$250

These are not limited versions. You get:

- Full access to latest models
- Extended credits on tools like Google Flow
- Everything the full-price version has

Pro Tip: z2u also has ChatGPT Plus accounts for dirt cheap. z2u is a goldmine for finding premium accounts at 5–10% of retail price.

Other AI Tools

You can find almost any AI tool account on z2u:

- Midjourney
- Claude Pro
- Chatgpt Pro
- Runway
- Basically anything

Important: Always check seller ratings and read reviews before buying. Do your own research and use common sense. If the seller has bad reviews, skip it.

Method 2: API Access (Save 70%+)

If you are running automations or need API access, this is where **Kie.ai** comes in. **Kie.ai** has every major AI API for up to 80% cheaper than the official platforms.

No catch, no nonsense—just cheaper access to the same APIs.

API Service	Link
VEO3 API	https://kie.ai/features/v3-api
Sora 2 API	https://kie.ai/sora-2

I use **Kie.ai** for all my automations and ad generation workflows and have never had issues.
