The Foundation Is Set

You now understand:

- The Life-Force 8 and why biological desire drives everything
- The Tension → Desire → Action formula
- How mental movies make scripts feel real
- Why emotion drives decisions and logic justifies them
- How pain and pleasure work together
- The feature vs benefit distinction
- Why ego morphing makes people follow
- The six psychological triggers (CLARCCS)
- How belief re-ranking powers reframes
- Why traditional copywriting needs adaptation
- The emotional journey framework

This is the foundation of everything.
